IBM Support Group Gathering

Kia Ora,

Unfortunately, due to the Covid-19 pandemic, we are unable to hold an IBM Support Group meeting in person. However, we know how important it is to stay connected during these uncertain times, especially with other members. Therefore, the IBM Support Group will be gathering online via Zoom for an informal catch up. We would love for you to join us!

Please feel free to bring your lunch along as the time falls across lunchtime.

We look forward to seeing all our IBM members virtually next week!
