

# Freedom

Join us this September to raise awareness and vital funds for thousands of Kiwis affected by muscular dystrophy and other neuromuscular conditions.

To help us create 'Freedom beyond limits', we are calling on your school to **support your local branch** of the **Muscular Dystrophy Association** by holding a colourful mufti day for a gold coin donation.

We can support you by providing resources and stickers for the children who participate. You will support us by helping to raise awareness of rare neuromuscular conditions and by taking time to reflect on the everyday freedoms that many people may take for granted.
